UNIVERSITY**

Final Exams

Guidebook for Students

Spring 2026

Final Exams for Spring 2026 will be held
from **June 1, 2026** to **June 5, 2026**

REGISTRAR'S OFFICE
25/05/2026
AL-KHWARIZMI UNIVERSITY

IMPORTANT NOTES

Exam Schedule

Date	Subject	Time
Mon, June 1, 2026	Academic & Communication Skills II	10:00 - 11:00
Tue, June 2, 2026	Calculus II	10:00 - 12:00
Wed, June 3, 2026	Computer Programming II (AI & SE)	10:00 - 12:00
	Computer Programming I (DT)	10:00 - 12:00
Thu, June 4, 2026	Physics I (AI & SE)	10:00 - 12:00
	Physics II (DT)	10:00 - 12:00
Fri, June 5, 2026	Linear Algebra	10:00 - 12:00

Exam Attendance List

Please check the [LMS](#) daily at 9:00 and identify the exam hall/mode where you will take the exam

(Each student must check his or her semester attendance status upon the exam week and make sure there is no failed course by attendance. The exam score of the student who failed the course by attendance is considered invalid.)

MANUAL FOR STUDENTS

Exam Format

No	Course name	Exam Format
1	Academic & Communication Skills II	Mixed (Written+MCQ)
2	Calculus II	Mixed (Written+MCQ)
3	Computer Programming II (AI & SE)	Mixed (Written+MCQ)
4	Computer Programming I (DT)	Mixed (Written+MCQ)
5	Physics I (AI & SE)	Mixed (Written+MCQ)
6	Physics II (DT)	Mixed (Written+MCQ)
7	Linear Algebra	Mixed (Written+MCQ)

Assessment

1. Each exam will be marked up to **100 points**.
2. The number of questions varies by subject
3. For the MCQ exams there **may be** a special answer sheet, in which you must use **ONLY A PEN** for shading inside the bubbles. Also, you have to write your roll number, it may be **7 digits of your ID number**. It may be different according to the subject. So, please read the instructions carefully before starting the exam.

Exam rules

1. Every morning, please check your exam schedule and exam room:
 - a. Which exam you have
 - b. Room number, where you will have exam
2. Students should come to the exam room **20 minutes before** the exam.
3. Go to the toilet BEFORE the exam, because you are not allowed to go to the toilet during the exam except in extreme cases as health issues.
4. Students must be on time for the exams. If a student is **late for more than 15 mins**, he/she will **not be allowed** to attend the exam and will therefore get 0 marks for it. If a student is late, no extra time will be given. There are no retakes of exams.
5. Students should bring their **Student ID card** with them. If a student forgets to bring the student ID card, they can visit the Registrator office and get a copy of the ID from LMS).
6. Students should leave all their unnecessary stuff (bags, books, TAB, notes, phones, laptops) outside or at the end of the room in the designated area.
7. Proctors will spread the exam sheet 5 minutes before the exam
8. Students are not allowed to open the test until the proctor allows it.
9. The exam should start at the exact appointed time.
10. Students are not allowed to use e-materials while taking an exam.
11. Desks should be free from unnecessary items, such as books, notes, technology, food, water, clothes.
12. If you have in your possession, or access to, any non-permitted items, whether or not they have been used, or were unintentionally or intentionally retained, it will be equal to cheating, hence you will automatically get 0 marks for the exam. Such items include but are not limited to: communication devices, including mobile phones, notepads, smartwatches, and any other technical or computing equipment capable of accessing the internet, email, and/or storing data including notes and photos.
13. The use of any other item (ex., calculator) is not allowed **unless** requested by subject-specific professors.
14. You must not communicate or attempt to communicate with anyone (except the invigilators) inside or outside the exam venue during the exam. If you do, you will get a warning for the first attempt, and 0 marks for the second attempt.

15. You must not copy or attempt to copy from another student's work. If you do, you will get 0 marks.
16. You must not cause a disturbance or disruption (including if your mobile phone

rings during an exam).

17. All containers, including pencil cases or boxes, spectacle cases or drinks containers must be transparent and should not contain any notes or other non-permitted materials.
18. No part of an answer book should be torn out and all answer books and other material supplied in the exam room should be left behind on your desk at the end of the exam. Please do not attempt to remove any answer books or question papers from the exam room.
19. The participant is not allowed to leave his/her seat during the exam without getting permission from the invigilator.
20. If students have any misunderstandings or questions, they should raise their hands, and proctors should assist them.
21. An infraction to any of these rules will result in either a warning or your test being taken away.
22. You are not allowed to leave the exam room **during the first 15 minutes** of the exam nor **the last 10 minutes** of the scheduled examination.

Exam guides for Freshmen

Year	Course name	Duration (mins)	Instructions
1	Academic & Communication Skills II	120	<p>There are 3 sections in the exam paper:</p> <p>Section 1 includes 10 Multiple Choice Questions worth 25 points with a recommended time of 20 minutes;</p> <p>Section 2 includes 5 Open ended questions worth 25 points with a recommended time of 40 minutes;</p> <p>Section 3 includes writing analytical writing worth 50 points with a recommended time of 60 minutes.</p> <p>Additional materials are not allowed.</p>
2	Calculus II	120	<p>There are two parts of the Final Term Exam: Part "A" includes 24 MCQ's ($24 \times 2 = 48$ Points) with a recommended time of 50 mins. You must encircle the correct answer. Part "B" includes 6 Long Questions (having a total 52 Points) with a recommended time of 60 mins. Calculators are allowed.</p>
3	Computer Programming II (AI & SE)	120	<p>You are given 120 minutes;</p> <p>There are 4 sections of the exam paper:</p> <ul style="list-style-type: none"> - Section 1: Multiple Choice Questions. There are 15 questions in this section. Every question is worth 1 point. - Section 2: Code Tracing. There are 5 questions in this section. Every question is worth 5 points. - Section 3: Spot the Bug / Fill in the Blank. There are 4 questions in this section. Every question is worth 5 points. - Section 4: Handwritten Coding. There are 3 questions in this section. Two questions are worth 10 points each, and one question is worth 20 points. <p>In total, you are required to answer 27 questions.</p> <p>Additional materials and calculators are not allowed.</p>

4	Computer Programming I (DT)	120	<p>You are given 120 minutes.</p> <p>There are 3 sections in the exam paper:</p> <p>Section 1: Multiple Choice Question. There are 40 questions worth 40 points with a recommended time of 45 minutes.</p> <p>Section 2: Code Tracing. There are 5 questions worth 20 points with a recommended time of 25 minutes.</p> <p>Section 3: Handwritten Coding. There are 3 questions worth 40 points with a recommended time of 50 minutes.</p> <p>Additional materials, calculators, or electronic devices are not permitted.</p>
5	Physics I (AI & SE)	120	<p>You are given 120 minutes. There are 3 sections in the exam paper:</p> <p>Section 1 includes 25 Multiple Choice Questions worth 50 points with a recommended time of 50 minutes</p> <p>Section 2 includes 8 Short-Answer Questions worth 40 points with a recommended time of 50 minutes,</p> <p>Section 3 includes 1 Long-Answer Question worth 10 points with a recommended time of 20 minutes.</p> <p>Include units when solving problems, as missing units may result in point deductions.</p> <p>Additionally, calculators are allowed, and a formula sheet will be provided</p>
6	Physics II (DT)	120	<p>You are given 120 minutes. There are 2 sections in the exam paper:</p> <p>Section 1: Multiple Choice Questions. There are 20 questions in this section. This section is worth 60 points and should be completed within 60 minutes.</p> <p>Section 2: Problem Solving Questions. There are 3 problems in this section. This section is worth 40 points and should be completed within 60 minutes.</p> <p>Include units when solving problems, as missing units may result in point deductions.</p> <p>Additionally, calculators are allowed, and a formula sheet will be provided.</p>

7	Linear Algebra	120	There are two parts of the Final Term Exam: Part "A" includes 24 MCQ's ($24 \times 2 = 48$ Points) with a recommended time of 50 mins. You must encircle the correct answer. Part "B" includes 6 Long Questions (having a total 52 Points) with a recommended time of 60 mins. Calculators are allowed.
